FFF EXCLUSIVE: One of NY's most famous jewellery designer's and celebrity favourite (Drew Barrymore, Angelina Jolie and Mary-Kate Olsen are amongst her devoted wearers) takes us on a special guided shopping trip to her favourite fashion haunts.

HONG KONG...

We stay in the heart of the shopping district, a hop, skip and a jump to luxe department stores like Lane Crawford, Harvey Nichols and Joyce and chic eateries like Sevva and Zuma. We love November when the weather is crisp and cool, and the shops are ripe for the picking of party dresses and Christmas presents.

Unwind and be pampered with beauty treatments including the Eve Lom facial, the world's best pedicure and massage at the beautiful Mandarin Spa.

Take traditional Chinese tea and exquisite dim sum as your tea master guides you through the sensory experience of this ancient ritual.

PARIS...

Home-away-from home is one of our two favourite boutique hotels; one in the chic and hip Left Bank and the other in the heart of the 1st Arrondissement.

Upon arrival, we whisk you off to Carla Bruni's salon for a restoring and relaxing Jet Lag Recovery treatment or if more traditional treatments are your speed, The Hammam de la Mosquée for a soothing and relaxing steam bath. Both are the perfect pick-me-up for post plane jet lag.
